Happy Camper Glitter House

Summer is in full swing and for some, camping is a tradition. Images of the great outdoors, campfires, s'mores, and cute campers come to mind. Camping is a lot of work though, and you would rather spend your time crafting. Let's combine the two by capturing those moments in a cute little paper camper. If you are looking for a change of pace from card making and you are a paper arts fanatic, this is the class for you! We'll make a 3-D camper from just paper and adhesive....plus a little glitter. Learn something new to add to your paper arts repertoire! (\$38.00)

Paper Petal Lab

I'm over the moon about this course! Come make a colorful art piece, a spectrum of paper petals on a 16X20" canvas board suitable for framing in a shadow box (not included). I'll bring in every color crepe paper in my stash, as well as just about every tool I have for adding color to allow you to experiment. I'll also demo shaping techniques to help you build flower skills and personalize your petals. I'll hand out some templates to get you started, but we'll also cover free hand petal-cutting techniques. For further inspiration, I'll bring in a small selection of fresh flowers, (not at all required, but attendees are welcome to bring flowers to share! Maybe a bloom that's especially meaningful to you?) This class will be a marvelous opportunity to play, express your individual creativity, and most of all, party with other paper enthusiasts! It should be a total blast! (\$75.00)
